

# Daniel loved God

1

A long time ago, a very mean king took the smartest young men from their country to Babylon.

One of them was named Daniel. Daniel loved God and he prayed to God every day.

2

A new king took over. His name was Darius. King Darius liked Daniel. He thought Daniel did a good job and should be a great leader in the land

3

Some of the men hated Daniel. They didn't want him to be a leader, so they wrote a new law that said that no one was allowed to pray to anyone but the king. Then they tricked the king into signing the law.

4

Then they waited until Daniel prayed and then they told on him. The king had no choice but to throw Daniel into the lion's den.

5

The next day King Darius came to check on Daniel. He was so happy to see Daniel. Daniel worshipped God.

6

The king had the bad men thrown into the lion's den and Daniel was made leader. Daniel chose to obey God above men.

# QUESTIONS

1. Who was Daniel?
2. What did Daniel do every day? Do you?
3. Where was Daniel thrown?
4. What animals were in the den?
5. Who did Daniel trust?

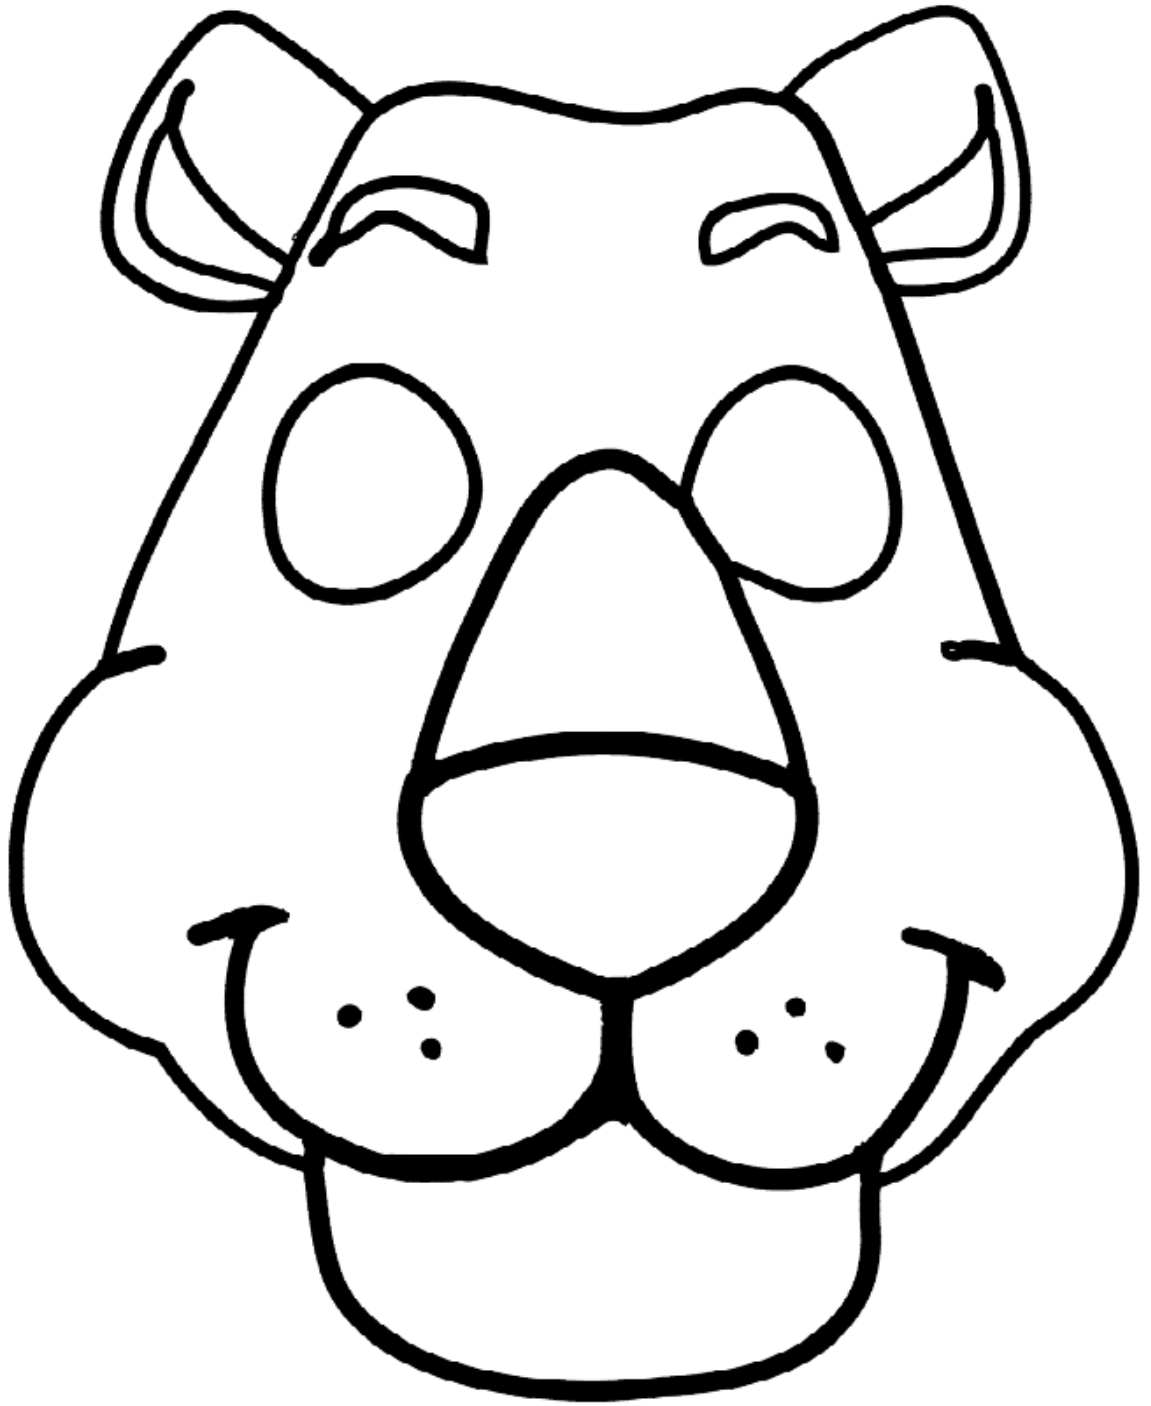

Daniel got in trouble for obeying and worshipping God. Even though his life was in danger Daniel had to trust God and placed his faith in Him. God was always with Daniel, He never abandoned him. Through this trial God was glorified and His name was proclaimed throughout the kingdom.

This is the lesson that we want our kids to learn; to learn to trust God. Even when things get difficult, God doesn't abandon us.

## Instructions

1. See template on next page
2. Paint a paper plate orange or yellow.
3. Color the lions head the same color as the plate.
4. Color and cut out the strips for the mane. If you prefer you can use a strip as a template and trace it on construction paper.
5. Glue the strips of construction paper around the rim of the painted paper plate.
6. Glue the lions face onto the paper plate, centered.
7. Cut out the eyes of the lion.
8. Finally glue a large popsicle stick onto the bottom of the plate for a handle.
